Cincago, March 21. Speculation was very slow in the pits today. The ing wheat was light but the temper was a little ager during most of the session. The San Franatronger during most of the session. The San Francisco market was stronger on account of reported damage to the California crop by drouth. Cables were stendy. The market opened strong at 8154 for May, advanced to 8154, but fell back to 8154 and closed in the latest trading at inside figures. The closed in the latest trading at inside figures. The quantity of wheat on ocean passage increased 450,000 def_{clos}. The receipts in the northwest were smaller. There was a stronger demand for corn and May which opened a: 3%, advanced to 40 under good demand, but fell back and closed at about opening figures. The receipts continued to be fairly large. Oats were slow and practically unchanged.
